National Center for
Competency Testing

www.ncctinc.com

As an independent certification agency, the *National Center for Competency Testing* is able to provide certification and continuing education products and services for individuals, schools, or programs irrespective of their allegiance to any specific professional organization or accreditor. NCCT is used for testing and continuing education by more than 850 facilities and organizations across the country.

Other Certifications Offered

- Bookkeeping
- Certified Postsecondary Instructor®
- ECG Technician
- Medical Assistant
- Medical Office Assistant
- Patient Care Technician
- Pharmacy Technician
- Phlebotomy Technician
- Tech in Surgery - Certified (NCCT)
- Donor Phlebotomist (NCCT)

National Certified Insurance and Coding Specialist

The *National Insurance and Coding Specialist* (NICCS) can find a rewarding position as a health insurance claims processor or coder in a medical office practice. This position is vital in making sure that patient billing and reimbursement are both accurate and complete. Areas of content on the exam include medical billing procedures, insurance claims processing medical terms, CPT and ICD-9-CM coding.
